What's New This Year?

New STEM Lab!

We're thrilled to introduce our new STEM lab, which will be accessible to students starting this fall. Get ready to explore and innovate!

More Activities

New after-school programs including robotics club, pottery classes, and chess club. Get ready to explore more activities and gain knowledge!

Preparation Tips

School Supplies

Make sure to check out the supply list on our website to come prepared on the first day.

Schedules

Class schedules will be available via the parent portal starting August 20th.

Health and Safety

Please update your child's health records and emergency contact information in the parent portal.

Staff Preparation

Conduct training sessions for teachers and staff on school policies and educational tools.

Message from Our Principal

"As we welcome you back to another year at Greenfield Academy, we are excited to see the growth and achievements our students will make. Let's continue to support each other and make this year one of the best yet!"

— Jonathan Reed
