NOTES FROM THE EDITOR

It's been a little over a month since we launched Redistribute Magazine, and we've been absolutely thrilled with the response we've received. So many of you have messaged and emailed us, or shared articles you've enjoyed reading, and we've loved seeing every one of them. We've also received a ton of messages from new up-and-coming artists who've sent us their music, and we've enjoyed listening to them all. We have many more exciting features planned for the coming months. Thank you so much for reading, and we hope you'll continue this journey with us.
